NEWS RELEASE

WILDCAT TO COMMENCE TRADING ON THE TSX VENTURE EXCHANGE

Vancouver, B.C., September 2, 2008 - Wildcat Silver Corporation (TSX-V: WS) (“Wildcat” or the “Company”) is pleased to announce that its common shares have been approved for listing on The TSX Venture Exchange (“TSX-V”) and will commence trading on the TSX-V on September 3, 2008 under the symbol “WS”. Wildcat will be delisted from the Canadian Trading and Quotation System (“CNQ”) Exchange effective Tuesday, September 2, 2008 after market close. The Company’s graduation to the TSX-V fulfils a corporate strategy to achieve greater exposure to institutional and retail investors and generate a broader shareholder base.

Chris Jones, Chief Executive Officer, said “Wildcat has validated work done previously on the property, demonstrating the value potential of the Company in the breadth of base metals found at the Hardshell project in Arizona. Graduating to a principal Canadian exchange is an important step in marketing our Company to a larger investor base.”

ABOUT WILDCAT SILVER CORPORATION – Wildcat is developing the Hardshell silver project in Santa Cruz County, Arizona, USA. The Hardshell property is held by Arizona Minerals Inc., of which Wildcat is an 80 percent owner. The Company completed a drill program in January 2008 after publishing a positive preliminary assessment (“PA”) by Pincock Allen & Holt in 2007. The PA cited a substantial inferred resource of nearly 1.2 billion pounds of manganese along with 53.5 million ounces of silver (10.3 million tons @ 6.26% manganese and 5.18 ounces per ton silver). Wildcat trades on the TSX-V Exchange in Canada under the symbol WS.
